This INDIVIDUAL and quite UNIQUE home offers BREATHTAKING VIEWS across the cliff top and The ENGLISH CHANNEL beyond. Situated south of the main coastal road this home forms part of an older development designed to take advantage of the dramatic coastal views which are offered. The front door opens into a conservatory, here you will be taken aback by the most beautiful of sea views. Double doors from here open onto the patio garden which is the perfect spot to admire evening sunsets. Close by you will find the west facing lounge/dining room which will easily accommodate your soft furnishings and again offers superb coast line views. A modern kitchen completes the ground floor and comprises of various matching units, work surfaces and appliance space too. Moving upstairs you will find three bedrooms, both bedrooms one and two also boast uninterrupted sea views. Concluding the interior is a modern family bathroom/wc. Lastly, the property also offers communal gardens and its own garage too.
