

Horsham Avenue, Peacehaven, East Sussex, BN10 8HX

Asking Price £314,950

Council Tax Band: B

This extremely characterful bungalow is not only beautifully presented throughout but also very well located too. So if you are looking for a home you can move straight into, which is just a short stroll from the main coast road then look no further.

On approach you will note the perfectly presented exterior which is complimented by landscaped, low maintenance gardens. The front door opens into a generous entrance porch which is the ideal space for storing your coats and shoes. An internal door from here draws you into the superbly appointed lounge/dining room. Being a triple aspect room, makes this a superbly bright space. Close by is the kitchen which has been thoughtfully planned with generous storage, working surfaces and appliance space. Additionally, a door from here offers convenient access to a side path that leads to both the front and rear of the property. Two bedrooms are offered, both are doubles and very well presented. Completing the interior of this quite superb home is the modern bathroom/wc.

Moving outside you will find a tranquil cottage style rear garden which features extremely well stocked flower and shrub borders, central lawn and a raised deck to capture the evening sun. Furthermore outside storage will be of no concern as there are two exterior built in cupboards, perfect for gardening equipment.
